RULES

The rules and regulations contained in this tournament guide were established to promote safety, equity, and consistency on a statewide basis. Beginning in August 2018 the AIA distributed copies of the National Federation Spirit Rules Book to each member school Spiritline head varsity coach and Athletic Director. As it is the responsibility of Spiritline coaches to understand and consistently enforce NFHS rules at any Cheerleading, Pom, or Spiritline practice, game, performance or competition during the school year. Each Spiritline, Cheerleading, or Pom coach should have a personal copy of this rules book. **Coaches must know and understand that AIA follows NFHS rules and not AACCA when they differ.**

Section I- Introduction

- Only those schools whose Spiritline coaches are in compliance with the AIA Bylaws will be allowed to compete and only those coaches in compliance will be allowed to enter with their team at no charge. All others will need to purchase a ticket.
- At Qualifiers, team members may go into the gym to watch performances so long as there is enough room for paying spectators. If space is needed, teams will need to go back to the holding area and will only be able to re-enter when their school is performing, but must return to the Team Holding Areas immediately following their team's performance.
- Pom teams may perform basic tumbling (side aerials, cartwheels, round offs, forward rolls) and prep level stunts with the proper footwear. Proper footwear consists of turning sandals, jazz shoes, or sneakers.
- Coed teams can compete in the Partner Stunt category but CANNOT compete in the All-Girl Stunt category.
- Game Day will consist of teams performing game time situations. Teams will come with a timeout chant and fight song prepared. It will run one right after the other in this order. This is a non-tumbling, non-stunting division.
- The top 50% of, but no more than 10, teams per division in the Show Cheer, Coed Cheer, All-Girl Pom, Coed Pom, All-Girl Stunt and Partner Stunt categories will qualify to compete at the AIA State Spiritline Championship.
- Teams will qualify for State BEFORE any penalties. Teams that qualify and overall final placements could be different.
- Team Photos are at the FIRST STAGE of the warm-up process per division category at the State Qualifiers and State Championship.
- Stretching will not be part of the warm-up time, but done in the holding area. Teams can "run through" their routines in the holding area. However, you may not stunt, tumble, or infringe upon the space of any other team in the holding area.
- Due to the nature of the schedule, and to keep the event moving in a timely manner, teams will only be guaranteed a 10-minute break between finishing a routine and reporting to warm-ups if they are in more than one category.
- Scores for Stunt and Game Day will be average scores not total scores.
- Score for pom will be an average of the performance judges with a difficulty score added to that average.
- **MUSIC RECEIPTS NOT UPLOADED WITH ORIGINAL REGISTRATION MUST BE UPLOADED AT LEAST A WEEK PRIOR TO COMPETITION**

GAMES COMMITTEE

David Hines, AIA Executive Director, will serve on the Games Committee with the following individuals:

ALTERNATES

Each squad may bring up to three alternates to the tournament (five alternates are allowed for All-Girl Stunt only). Only those alternates listed on the original roster are eligible to substitute. Only alternates in uniform are permitted in the warm-up area. Alternates must satisfy the same eligibility requirements as other participants.

Section II- Tournament Preparation

ROUTINE MATERIAL/CHOREOGRAPHY

Although there is no penalty for using camp material, the AIA encourages squads to use original material. During judging, deductions will be given for vulgar or suggestive movements (i.e., hip thrusting, inappropriate touching, slapping, gesturing, inappropriate positioning towards one another, etc.). Routines must utilize age-appropriate movements and music must be appropriate for a family environment.

MUSIC

New music guidelines went into effect beginning in 2016. Be sure you are familiar with these guidelines prior to taking any competition floor. Failure to comply may lead to disqualification and forfeiture of all fees (registration, admission or otherwise) associated with a team's performance.

MUSIC GUIDELINES:

Competition music must be properly licensed and a team must be able to provide proof of licensing (upon request) at any event where the music is used. If a team cannot provide proof of licensing immediately upon request, the team may be disqualified from the event. For further details visit www.varsity.com/music.

- A sound system will be provided.
- Speed control is not available. Music must be recorded at the correct tempo loaded onto an MP3 device.
- Music checks on the main sound system are not permitted.
- A coach from their school sit with the technician during their school's performance and retrieve the school's MP3 at the end of the performance.
- The coach playing music is responsible for pressing play/pause and cueing the music. If there are any playing errors due to music or device and a coach is not playing the music, disputes will not be allowed.
- The coach playing music should report to the music table when their squad is called on deck.
- Coaches are asked to hold onto their own music until the time of performance and to take music back following the performance.
- All teams must provide their own MP3 device for use on the event provided sound system.
- It is recommended that a smartphone/smart device be used for playing music. No case may be on any MP3 player so that a jack may be easily inserted into the device.
- If a smartphone is used for music it must be in airplane mode and on full volume.
- If using an iPhone that doesn't have an AUX port, you must provide the iPhone dongle, one will not be provided.

- As part of the registration, coaches must upload a receipt of their music with song titles and proof of right to edit by the company.
- Squads must perform to recorded music only. No live music will be allowed during the entrance, routine, or exit.
- Lyrics must be appropriate for a public high school performance.
- Music players are NOT provided for use during practice at the State Qualifiers OR State Championship. Therefore, if a squad wishes to use their music during practice, they will need to bring their own music player.
- **MUSIC RECEIPTS NOT UPLOADED WITH ORIGINAL REGISTRATION MUST BE UPLOADED AT LEAST A WEEK PRIOR TO COMPETITION.**

PREVIEWING TAPES OF ROUTINES

- The AIA has made arrangements with our local NFHS Tech Judges to preview videos for schools who want to make sure that their routines do not include a violation of NFHS safety rules. If a school is uncertain whether a particular stunt or any part of their routine violates NFHS safety rules, they may email a video for review by our local NFHS Tech Judges to spirit@aiaonline.org. THERE WILL BE NO FEE TO PREVIEW A VIDEO BUT IT MUST BE RECEIVED AT LEAST 2 WEEKS BEFORE THE COMPETITION DATE. TAPES RECEIVED AFTER THE 2 WEEK MARK WILL NOT BE REVIEWED.
- Schools need to be sure that their videos are identified with the name of the squad, school, head coach, telephone number, email address of the head coach and the rule(s) in question. Schools also need to indicate the best time of day that their head coach may be reached. The NFHS Tech Judges will preview the videos and contact the coaches to provide comments and/or recommendations within one week of the day the video is received.

Section III- Day of the Competition

ARRIVAL AT THE EVENT

- Doors will not be unlocked until the officially designated opening time, to ensure that safety and security staff can be placed at their stations prior to squads and spectators entering the building. Squads who arrive prior to that time will not be permitted to enter the building until the doors are unlocked.
 - Doors will be open at 6:45 for participants and 7:30 for spectators
- Squads should plan to arrive at the State Qualifiers sites and State Championship in sufficient time to permit compliance with the timeline (including warm-up/practice times), as adjustments cannot be made.
- Squads should arrive together, in uniform, and enter the sites at the marked door for squads.
- Coaches or squad members entering the building at the sites at any location other than the marked door for squads must purchase a ticket.

- At sign-in, coaches will be provided with all necessary materials, including an up-to-date timeline, coaches' wristbands.
-

WITHDRAWAL / CANCELLATION PROCEDURE

We have implemented Article 11.2.9 of the AIA Bylaws for withdrawals. Once the AIA office receives a registration form from a school and that school does not follow through with their obligation to compete at the AIA Spiritline State Qualifier and/or State Championship that school will be in violation of Article 11.2.9 of the AIA Bylaws and the school's Athletic Director will need to submit a Violation Form to the AIA office. NO REFUNDS.

DRESSING FACILITIES / RESTROOMS

- The AIA, the State Qualifiers sites and the State Championship site cannot be responsible for lost or stolen items. To keep lost items to a minimum, participants and coaches should limit the number of non-essential items they bring with them.
- It is highly recommended that squads dress in their uniforms before and that hair be fixed and makeup applied before arriving.
- In the interest of safety, warm-up and practice times should not be used for dressing.
- Squad members are not permitted to change clothes in any area other than the designated restrooms and/or locker rooms.

- Squad members are expected to dress appropriately at all times (i.e., no pajamas, sports bras, various stages of undress, etc.).

FOOD AND BEVERAGES FOR CONSUMPTION BY COACHES AND SQUADS

With the exception of water in sealed, plastic containers (and/or medically-required glucose or juice drinks) food or beverages may not be brought into the competition sites by coaches or squads. The approved items must be brought to the squad entrance; however, concession stands will be open throughout the event.

AIA SPOTTERS

The AIA will provide official tournament spotters who will not be part of a squad's routine and will not take the place of the squad's spotters.

PERFORMANCE AREA, SURFACE, ETC.

- Cheerleading performances will take place on the performing floor on a 9 strip competition mat. Appropriate matting will also be provided in the practice/warm-up area.
- Pom performances will take place on the wooden performing floor. The boundaries for Pom are within the border of a typical half basketball court and the Cheer competition mats. There are no out of bounds deductions for Pom but it is recommended to remain within the boundaries for the safety of the participants.

PERFORMANCE SCHEDULE

- The order of performance will be determined by random drawing. A timeline for performance order and approximate performance time will be provided on the AIA website prior to the tournament. Up-to-date timelines will be provided in the coaches' packets distributed at registration.
- Coaches and squads should pay close attention to the announcer to keep track of where their squad falls related to the performance schedule. The announcer will tell who is performing, who is on-deck, etc.

TIMELINES

- Starting time for the first event and the official opening time of the tournaments cannot be determined until registration has closed. Timelines will be posted on the Spiritline page of the AIA website at (http://www.aiaonline.org/activities/spirit_lines.php) on the following timeframes:
 - Block Format will be out 4 weeks before the competition
 - Exact Timeline draft will be out 2 weeks before the competition
 - Final Timeline will be out 1 week before the competition

CATEGORIES/TIMELINE/SQUAD LINE-UP CHANGES ON DAY OF TOURNAMENT

- Category changes on the day of the tournament due to participant injury will not be permitted.
- Requests for timeline changes due to late arrival, injury (with doctor approval), etc. will require approval of the Games Committee and the Tournament Director.
- In case of illness or injury on the day of competition, a coach may choose to enter an alternate or may compete with less than the number of participants declared on the squad's registration form.
- Should an alternate be used, the ill or injured competitor may not return to any subsequent performance during the tournament.

TIMING REGULATIONS

- Entrances and exits are not timed and will not be judged. However, promptness is encouraged. Penalties will be assessed for excessive or inappropriate entrances.
- Timing of the routine by the officially designated timer will begin with the first note of the music, voice command, or movement by a squad. Timing will end with the last beat of the music, or when the final position is hit if music has already stopped.
- Grace periods for timing violations are not allowed. Timing penalties will not be assessed if teams are in violation due to circumstances beyond their control (exception: variations in speed of music systems).

- A crowd-leading chant initiated and/or carried out by the team prior to the music starting will be considered the start of the routine.

TIME-OUTS

- Minor adjustments in music, etc., will be corrected immediately and the squad will start the performance over.
- Under the following circumstances, a coach may call a time-out by walking onto the performance floor and signaling to one of the timers:
An unsafe situation detected by the coach or team member(s)
An injured athlete
Technical difficulties with music
- Procedures followed when dealing with a time-out will be determined by the situation at hand.

Time-Out Due to Injury

- Non-Blood Related: In the event a squad's routine is interrupted by a non-blood related injury, the squad will be given the option of continuing or stopping the routine. Depending on the severity of the injury, the coach may remove the squad from the performance area so the next squad can begin their performance. The Certified Athletic Trainer and coach will determine if the injured member can perform at a later time. Should the routine be stopped, the squad will be given the option of performing their routine at a later time.
- Blood Related: Should an injury involving blood occur during the performance, the performance must stop immediately. NFHS procedures pertaining to blood-related clean up will be followed. The squad will be given the option of performing their routine at a later time.
- The Games Committee reserves the right to stop the routine if an injury occurs.

RESCHEDULING OF INTERRUPTED PERFORMANCES

- The Tournament Coordinators will determine the new time the squad will be placed in the competition line-up. The tournament coordinators will determine the starting point for the redo.
- It is the responsibility of the coach to ensure that all squad members understand time-out procedures.

PERFORMANCE INTERRUPTION(S) BY GAMES COMMITTEE

- The Tournament Coordinator and/or tech judges reserves the right to stop the routine if an injury occurs.
- If, in the opinion of the Tournament Coordinator, a squad's routine is interrupted because of failure of the tournament equipment, facilities, or other factors attributable to the tournament rather than the squad, the affected squad will be instructed to stop their routine. The squad will be allowed to repeat its routine at a time determined by the Tournament Coordinator.
- Should a situation occur which requires interruption of a performance (for example, a ball is thrown onto the performing floor), or a decision involving any aspect of the competition not clearly specified in these rules and regulations must be made, the Tournament Coordinator will render an appropriate judgment. This judgment will be made in an effort to ensure that the competition continues in as equitable a manner as possible for all squads and is consistent with the general spirit of the rules and goals of the competition.

All squads agree to accept any and all decisions made by the Tournament Coordinator as final.

PRACTICE AREA & PROCEDURE FOR ENTERING THE PERFORMING FLOOR

Squads should plan to arrive at the TEAM HOLDING AREA 10 minutes prior to their scheduled PHOTO TIME. (See timeline). This will allow teams to be ready to check-in when called upon without causing a delay of looking for the team. They will then proceed to the Warm-up Check-in station to begin the warm-up process. Teams will then move from the practice area to the on-deck area prior to being called onto the performing floor.

- Warm-up times will not be adjusted should a squad arrive late.
- Eating, drinking, chewing gum, spraying hair products, perfume, etc. are not permitted in the warm-up area (specifically near or on the mats).
- Appropriate matting will be provided in the practice area.
- Squads will stretch on their own and not in their warm up time.
- Each squad should plan to utilize their entire allocated time. Coaches whose squads do not adequately warm-up assume all responsibility for any injuries occurring to squad members due to inadequate warm-up.

Squads will proceed through the practice/warm-up area to the on-deck area and on to the performing floor as follows:

- Squads may not practice full out anywhere outside the warm-up area. Squads must adhere to the timeline and wait until their scheduled time to report to the warm-up area.
 - **STRETCHING IS NOT PART OF THE WARM UP AREA AND SHOULD BE DONE BEFORE CHECKING IN.**
 - After teams check-in at their designated time per category, squads will have a **TEAM PHOTO** taken **PRIOR** to the start of the warm-up stations. Make sure your team is ready in line for the photo.
 - Cheer will be given 15 minutes on a set of mats to warm up any and all necessary elements of the routine.
 - AGS will be given 10 minutes on a set of mats to warm up any and all necessary elements of the routine.
 - POM: will be given 15 minutes on a non-matted surface to warm up the routine
 - Game Day: will be given 10 minutes on a non-matted surface to warm up the routine
 Squads will then proceed to the on-deck area.
- Squads may be checked for nails and/or jewelry at **EVERY** station. Competitors and/or coaches are expected to comply with these checks.
- Team members who do not remove jewelry or cut nails when asked will be assessed a technical penalty per participant in question.
- The announcer will request the team, by school name, to enter the competition area and take its starting position. The team must move without delay to its starting position.

Section IV- Safety

NATIONAL FEDERATION RULES

Official rules followed at the State Qualifiers and the State Championship will be those delineated in the current National Federation Spirit Rules Book, the AIA Constitution and Bylaws, and tournament instructions specified in this tournament guide.

- The National Federation Spirit Rules Book regulates Spiritline activities. All routines must be planned in accordance with NFHS safety rules. If additional copies are needed, contact the AIA Office.
- **ALL** NFHS rules, including those related to jewelry, nails, hair devices, glitter, etc., will be enforced. An NFHS certified technical penalty judge will check each member of each squad related to these rules before each performance. A penalty will be assessed to squads should a squad member be found in violation of these rules. There will be no exceptions. Both coaches and squad members are responsible for ensuring that these avoidable penalties are not incurred.
- Coaches are responsible to carefully review all National Federation safety rules and should pay particular attention to new or revised rules.

TOURNAMENT SAFETY RULES

- To guard against dehydration, please bring an adequate supply of water for your team.
- Should a coach or a participant of a squad have a medical condition that could result in the need for glucose drinks, juice, candy, etc., coaches must make certain that these items are brought to the tournament and kept close at hand; however, NFHS rules prohibit eating candy or chewing gum during practices or performances.
- Earphones or wireless microphones are not permitted by squad members during their performances, as they constitute a safety hazard to the participants.
- Signs may be used by a performing squad during a performance provided they are in accordance with National Federation rules (i.e., no glitter, etc.). Squads should keep in mind that slipping on a sign during the performance will result in a National Federation 2-point technical violation. Squads should also be aware of the NFHS ruling for discarding signs during a performance.
- **Inappropriate Substance Use:** Any coach or competitor using tobacco, alcoholic beverages or illegal drugs while participating in AIA Spiritline State Qualifiers or the State Championship will be disqualified from the competition.
- Possible security checks of personal belongings upon entering the sites: expect that camera cases, large purses, etc., may be opened and inspected prior to entering the building.
- Participants may not climb, stand, or sit on balcony railings or seats.

Section VII- Coaches

SEATING FOR PARTICIPANTS/COACHES

- A special seating area will be designated for the exclusive use of squads and coaches. Coaches will be provided with information related to the location of this seating in their coaches' packets distributed at the registration table.
- Teams will be permitted to sit in the performance area as long as space is available. IF space is needed for spectators, participants will be asked to return to the holding area. Teams will be permitted to watch their team perform in another category. Your cooperation is appreciated!
- During a school's performance, only that school's performing squad members will be allowed on the floor. Only those with lanyards or wristbands) from the performing school's squad will be allowed in the designated coaches' area at the music table.
- Coaches not playing music are permitted to sit in the designated area on the floor in front of the performance surface. Coaches must not impede the view of judges.
- At the conclusion of the performance, coaches may enter the performance floor to assist in picking up any debris (such as pom pieces) that may have fallen to the floor. This should be done as quickly as possible so as not to delay the next performance.
- At the conclusion of each squad's performance, the coach(es) are to exit the performance floor with members of their squad as quickly as possible.

COACHES RESPONSIBILITIES

- For safety reasons and to ensure adequate supervision, the squad's coach or a member of the school administration willing to assume responsibility for the squad should arrive at the sites with the squad. The coach/administrator must accompany squad members to the practice area and performing floor. It is recommended that the coach accompany squad members at other times as well.
- No one other than the school coach(es) or school administrator (i.e., a friend, a parent, a team member, a teacher, etc.) may be put in charge of members of the squad, as these individuals may not be designated as legally responsible for the safety of students and would not be in compliance of the AIA Bylaw 37.10.4 and 37.10.5.
- A squad will not be permitted to practice or perform unless a qualified coach is present.
- Remember, for safety reasons and in accordance with National Federation rules, **NO PERSON** that is not in compliance or AIA staff are permitted in the designated participant areas or on the performing floor. **This includes children who are accompanying coaches or squads and children dressed as cheerleaders.**
- Coaches **MAY NOT** approach Pom, Cheer or Tech judges at any time before, during, or after the competition. If you have questions, please see a member of the Tournament Coordinator.
- Should a safety-related technical violation be missed by the National Federation Technical judge prior to the performance (i.e., jewelry, nails, etc.) and discovered during the performance, penalties will be assessed.
- The coach is responsible to ensure that all rules and regulations contained in this tournament guide are followed at all times.

COACHES WRISTBANDS

Bona fide coaches who are in compliance of the AIA Bylaws, a school Certified Athletic Trainer and one bus driver (paid or unpaid) who have been formally approved by the school principal and/or governing board (i.e., have been issued a stipend or zero contract, or other written documentation) will be admitted free of charge to the event and receive lanyards or wristbands. (Bus drivers will receive a wristband at the Squad Entrance.) Lanyards and wristbands **ARE NOT TRANSFERABLE** to another individual.

Section VII- Judges and Scoring

JUDGE SELECTION/QUALIFICATIONS

- Judges for this event will be appointed at the sole discretion of the Tournament Coordinator and the AIA. They will be qualified, experienced individuals with a thorough knowledge and background in cheer, dance, and/or National Federation rules/regulations.
- Judges must be at least 20 years of age and must be unaffiliated with any squad participating in the division they are judging.

- Qualified judges will be used for all competitions. AIA will be using in state judges for State competition this year, as well as, out of state judges.

JUDGES' SEATING AREA

To ensure that the concentration of judges is not interrupted during performances, the seating area directly behind and/or in front of the judges' table will be cordoned off. Seating in this area will not be permitted.

PENALTIES

- Penalties issued are final; decisions will not be reversed.
- It is suggested that you bring your copy of the NFHS Spirit Rules Book with you to the competition for referral as necessary. Refer to penalty sheet for penalty-related information.

Penalties for Violations of National Federation Rules

- Any violation of a National Federation rule occurring during the performance will result in a penalty.
- Each separate violation assessed by a Technical judge prior to the performance (i.e., jewelry, glitter, nails, etc.) will result in a deduction per squad.
- You may ask for clarification of any rule by a National Federation Technical judge prior to competing.

MOST COMMON TECH PENALTIES

- 1) 3-8-2 using a pom in the hand while tumbling and touching down such as an aerial cartwheel. We saw a lot of girls who dropped their hand down with the pom in their hand while completing an aerial cartwheel.
- 2) 3-2-1 have a pom in the supporting hand while supporting a top person. We saw this several times over the competitions last year.
- 3) Stepping on poms and/or signs. Placement is crucial! Many participants slipped on poms and/or signs this last year.
- 4) 4-3-4 Loss of contact: we saw this many times during a superman stunt and during pyramids.
- 5) we wanted to clarify more on:

MINOR ATHLETE FALL (0.5) – HANDS/KNEES DOWN ON TUMBLING OR TRANSITION

MAJOR ATHLETE FALL (1.0) – LANDING ON HEAD/SHOULDERS/BACK ON TUMBLING OR TRANSITION

BUILDING BOBBLE (0.5) – INCLUDE BUT NOT LIMITED TO STUNTS, TOSSES, AND PYRAMIDS THAT ALMOST DROP BUT ARE SAVED. INCLUDING EXCESSIVE MOVEMENT OF BASES TO SAVE A STUNT AND DROPPING FROM EXTENDED TO PREP LEVEL, BUT DOES NOT INCLUDE A DROPPED BODY POSITION OR SMALL BALANCE CHECK.

MINOR STUNT FALL (1.0) – INCLUDE BUT NOT LIMITED TO DROP FROM INDIVIDUAL STUNT TO LOAD IN, CRADLE, PRONE, FLATBACK, OR ONE MEMBER OF THE GROUP LANDING ON THE GROUND.

MAJOR STUNT FALL (2.0) – INCLUDE BUT NOT LIMITED TO A DROP FROM AN INDIVIDUAL STUNT TO A COMPROMISING POSITION (NOT MENTIONED IN MINOR FALL) OR MORE THAN ONE MEMBER OF THE GROUP LANDING ON THE GROUND.

PYRAMID FALL (3.0) – TWO OR MORE CONNECTED STUNTS FALLING. IF MULTIPLE PYRAMIDS ARE BUILT AT THE SAME TIME, EACH PYRAMID WILL BE TREATED SEPARATELY. IF MULTIPLE TOPS FALL IN THE SAME PYRAMID BUT NOT IN DIRECT CONNECTION, THIS DEDUCTION STILL APPLIES.

Timing Penalties

- Timers will maintain records related to timing of routines and music. Please note that timing-related penalties will be assessed if necessary for both the music portion of the routine and for the entire performance. For example, if the music portion of your routine exceeds the maximum time allowed and it, therefore, causes your overall performance to also exceed the maximum allowable time, your squad will be assessed two timing penalties—one for music and one for the overall routine.

DISQUALIFICATION

It is understood that any squad that does not adhere to the AIA Spiritline State Qualifiers and State Championship rules and regulations will be disqualified from the competition. **This includes practicing stunting and tumbling outside of the warm-up area, and/or inappropriate conduct towards event staff, a non-compliant coach going into the warm-up areas or bringing children into the warm-up areas.**

FINALITY OF JUDGES' DECISIONS

By participating in this tournament, each coach and participant agrees that decisions by the judges will be final and will not be subject for review. Each coach and participant acknowledges the necessity for the judges to make prompt and fair decisions in this competition to the best of their abilities. Each coach and participant, therefore, waives any legal, equitable, administrative, or procedural review of judges' decisions.

In addition, time infraction and safety violation penalties may not be refuted.

SCORES AND OVERALL RESULTS

Judges' scores will be computer-tabulated. Overall standings will be posted within 7 days of the competition. Copies of individual squad score sheets from each judge will be available at the conclusion of the competition.

Section IX- QUALIFYING FOR THE STATE CHAMPIONSHIP

Below are the criteria for all AIA member schools to qualify in a Category for the AIA State Spiritline Championship:

- Top 50% of teams per category, no more than 10 teams per category.
- Teams will qualify before any penalties. The teams that qualify for State could be different than final placements.
- A team may compete only in the categories they qualified for at the State Qualifying level for the AIA State Spiritline Championship.
- Teams will be expected to re-register for State Championship.
- All teams who qualify at the State Qualifying level are expected to compete at the AIA State Spiritline Championship. (Withdrawal Violation will be in effect. NO REFUNDS.)

Section X- Awards

AWARD STRUCTURE

- The AIA Spiritline State Qualifiers and State Championship will be conducted in the same manner as other AIA state tournaments.

3. National Federation and/or timing penalties will then be subtracted from the total score. Penalties can include, but are not limited to: illegal components, timing deductions, performance deductions.
4. Based upon the score for each school in the division/multi-division designation, schools will be placed into numerical order from highest score to lowest score.

Coaches, participants or spectators who are found wearing inappropriate attire may be removed from the event.

Section XII- Media/Programs/Misc.

MEDIA CREDENTIAL POLICY

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link

(http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA online media credential

form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials.
